

FLORIUM

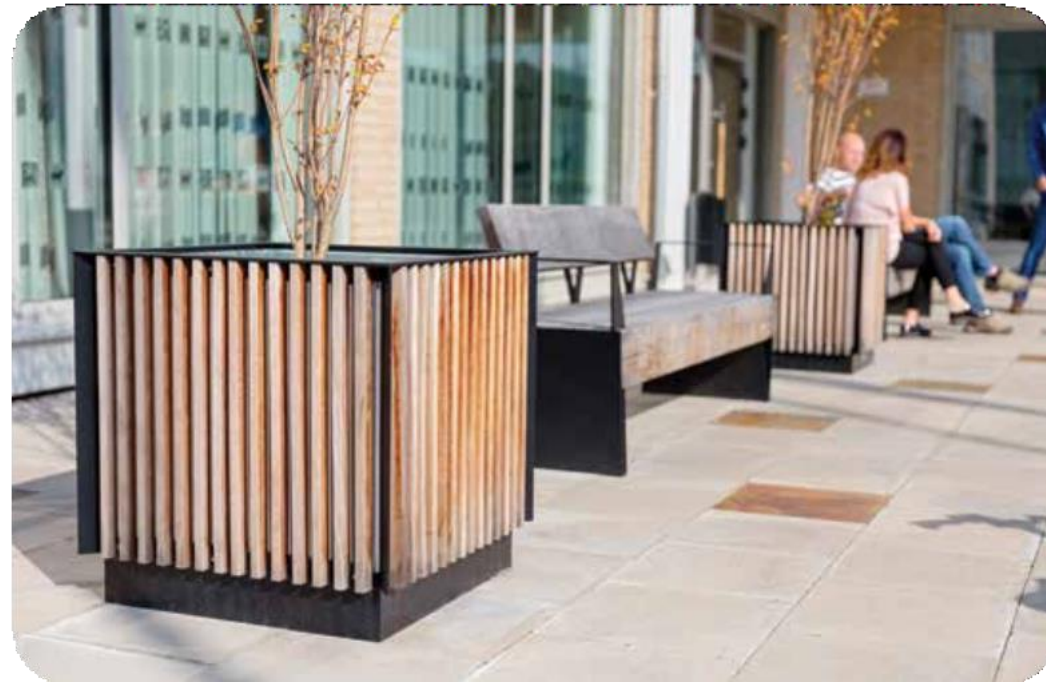

Design: David Karásek, Radek Hegmon

Le fioriere da esterno sono parte integrante delle aree urbane.

La tradizionale forma quadrata o circolare di questa elegante fioriera da esterno offre un uso universale con il suo design pulito.

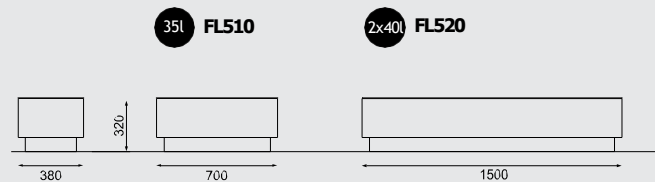

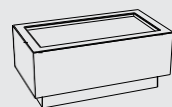

Struttura d'acciaio e rivestimento in acciaio zincato con verniciatura a polvere. Disponibile anche rivestimento in doghe di legno. Contenitore in acciaio zincato. Ancorato sopra la pavimentazione.
