

IVY

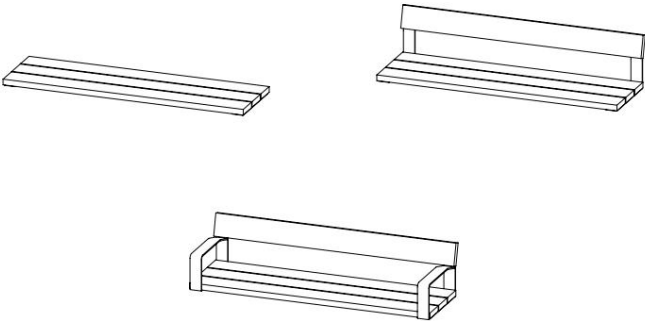

Durbanis
2024

Misure in cm

Materiale: legno di pino nordico certificato PEFC™ o legno tropicale certificato FSC®.

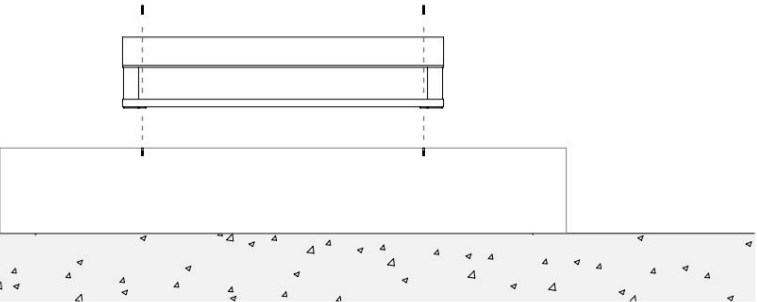

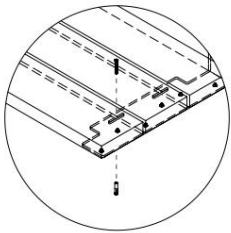

Peso: Ivy (32 kg) / schienale Ivy (56 kg) / bracciolo schienale Ivy (60 kg).

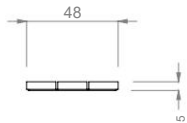

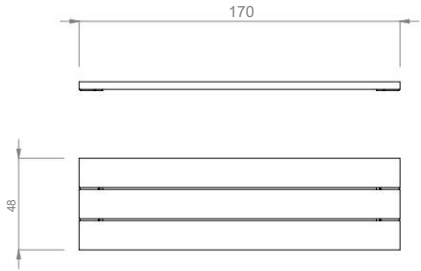

Sistema di posizionamento

Fissaggio tramite viti filettate nel muro.

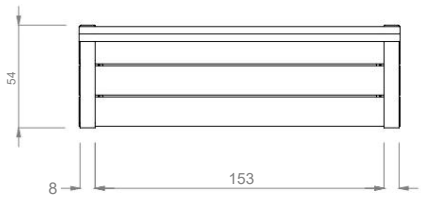

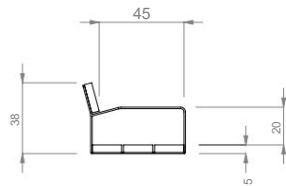

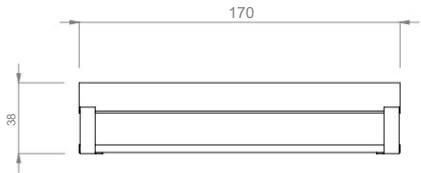

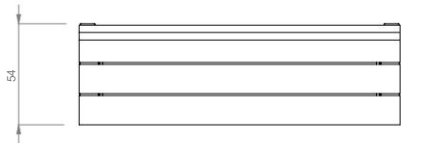

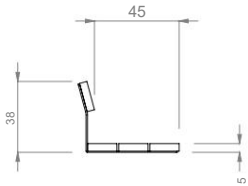

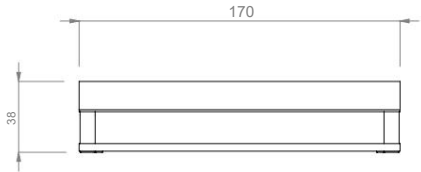

Forare il muro esistente utilizzando un trapano a percussione adatto al manto stradale o al marciapiede. Inserire il tassello nel muro. Posizionare il sedile nella posizione corretta e infine fissare la testa della vite attraverso le doghe di legno.
